A Message from your

Parent Student Organization

Welcome to the first edition of **The PSO Post**!

We hope you had a fun and relaxing summer break and that you are ready for a productive school year.

The PSO Post newsletter will be coming to you at the beginning of each trimester with information, programs and upcoming events sponsored by the PSO in that trimester. We are every excited about this new resource and we hope you find it helpful.

As we make plans and get prepared for the new school year, we want to remind our parents and staff that the PSO needs you. There are no fees or dues; PSO membership is automatic!

Please contact a board member or go to our website (freedomshorespsso.com) to learn how you can join us in our quest to help enrich our students learning and enhance the overall school community.

The first PSO General Meeting is October 13th. Important topics and concerns will get voted on during this meeting. Mark your calendar and come out to make your vote count.

Again, welcome back! Take a moment to view the contents of the newsletter and contact us with any questions or concerns that you may have!
