

MOMS DADS GRANDPARENTS WE NEED YOU!

Freedom Shores' teachers are in great need of more parent volunteers. There are many ways you can help and in some cases you can even coordinate at-home projects if your schedule does not permit you to assist during school hours. Anything you can do is greatly appreciated.

**The more we help our teachers,
the more valuable time they can spend teaching our kids.**

Please fill out the attached information slip so your teacher and homeroom mom can keep you informed about upcoming events and what kind of assistance they need.
